About Our Hospital

Welcome to our Hospital Appointment Booking System. Our platform allows patients to search for doctors, view available schedules, book appointments, cancel appointments, and receive medical guidance. Our goal is to make healthcare services simple, reliable, and accessible.

Appointment Booking

Patients can search doctors by specialty, clinic, or doctor name. Available appointment slots are shown in real time. After selecting a suitable slot, patients can confirm their booking. A confirmation message is displayed after successful booking.

Appointments should be booked at least one hour before the selected time. Walk-in appointments depend on doctor availability.

Appointment Cancellation

Patients may cancel an appointment before its scheduled time. Once cancelled, the appointment slot becomes available for other patients.

Appointments cancelled after the scheduled time cannot be refunded.

Rescheduling

Appointments may be rescheduled if another slot is available. Patients should reschedule at least one hour before the appointment.

If no slots are available, the patient must book another appointment.

Refund Policy

Online payments are refundable only if the doctor cancels the appointment or the hospital cancels the clinic session.

Refund requests are processed within five to seven working days.

No refund is provided if the patient does not attend the appointment.

Doctor Verification Policy

Every doctor must provide a valid PMDC registration number before joining the platform.

The following documents are required:

- National Identity Card (CNIC)
- PMDC Registration Certificate
